

Joel Osteen, Fox News, Mocking Prayer And Ignoring The Truth

By David J. Stewart | December 2013

"Behold, the LORD's hand is not shortened, that it cannot save; neither his ear heavy, that it cannot hear: But your iniquities have separated between you and your God, and your sins have hid his face from you, that he will not hear." —Isaiah 59:1-2

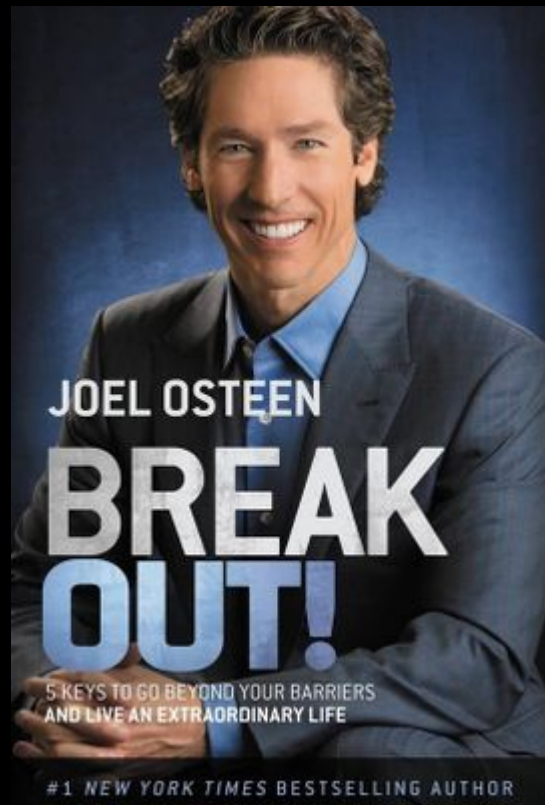

On December 5th, 2013 Pastor Joel Osteen was invited onto Fox News to promote his new book titled, "**BREAK OUT!**" Pastor Osteen spoke of prayer and trusting in God. You can [watch the first part of the news video here](#). I was disgusted watching Fox News' Brian Kilmeade, Steve Doocy and Elisabeth Hasselbeck joke about God and prayer. They joked about the *Giants* sports fans not believing in prayer. They joked about failing high school tests because God didn't answer Steve Doocy's prayers. Ha, ha, big joke! The reason why they joke about prayer is because they DON'T know God!

Osteen said the purpose of his book is to inspire Christians to pray "big" and "bold" prayers. I couldn't find the video for the rest of the interview, where Brian Kilmeade says Americans should pray "bold" prayers for jobs. What an insult! It upset me when he said that, because the real problem with America's economy (amongst many things) is the

[DEINDUSTRIALIZATION](#) (sending jobs to foreign countries) over the past 45 years. Add to that the [funny money scam](#) by the privately owned so-called [Federal Reserve Banks](#) since 1913 and it's obvious why our nation's economy is hurting so bad.

You gotta love Joel Osteen!!! But you'll NEVER hear Joel Osteen tell the truth by exposing the criminal Banksters on Wall Street. The international banking cartel are the scum of the planet. William Guy Carr exposes the sinister banking cartel in his timeless classic book titled, [PAWNS IN THE GAME \(.PDF full version\)](#). Joel Osteen is the preacher who sees no evil, hears no evil and speaks no evil! While the forest is burning down in America spiritually, Mr. Osteen doesn't even smell smoke.

Too bad Joel Osteen doesn't care about the truth as much as he claims to care about teaching people to pray. Without truth, prayer is ineffective. For example: It would be foolish for a Christian to pray concerning the alleged Global Warming problem. The reason why is because it's a massive fraud that doesn't exist. So says [John Coleman, the founder of The Weather Channel](#). Global Warming is false science (1st Timothy 6:20)

intended to oppress the citizens of the world through unjust taxation, scrutiny and ridiculous environmental laws.

Honestly, praying for a job in the United States is like praying for God to give you the money to pay your home's monthly energy bill, while your windows and doors are wide open in the middle of winter during sub-zero weather outside. How can we expect God to supply us with jobs in the midst of the deliberate deindustrialization and globalization of our nation's economy? Let's get real folks, our nation's economy is being hollowed out, [so says Congresswoman Cynthia McKinney](#). If you won't believe me, then at least listen to your elected leaders in Congress. More money has been [stolen during the Obama Presidency](#) by Wall Street than all other U.S. presidential administrations combined!!!

I just read in the news today that [50% Of All Texas Construction Workers Are Undocumented Illegal Immigrants](#). Now, I love Hispanic people and the issue has nothing to do with race or prejudice; but rather, for every illegal immigrant who sneaks into the country, another U.S. citizens can't find a job to pay the bills. While George W. Bush was U.S. President, he claimed that illegals were only taking the jobs that Americans refused to work. But as you just read in the preceding hyperlink, undocumented illegals working as construction workers get paid \$11.10 an hour! Does that sound like a job that unemployed Americans wouldn't want? Who's kidding who?

A big part of being a Christian is seeking THE TRUTH and proclaiming it! The truth is that our nation's leaders have sold us out, betraying us to the New World Order. In essence, we have sold ourselves out, because we have allowed this corruption, evil and criminal activities to happen in OUR government, with OUR money, in OUR name, and by OUR leaders for the past century!!! It's OUR fault! We let the liberals and Red Communists remove the Bible and prayer from our schools since 1963, and now our nation is a war zone.

A Sinful Nation Who Thinks It's "Good Without God"

Atheists in Houston, Texas paid to have public transportation buses run ads for Christmas 2013 that read, ["Millions Of Americans Are Good Without God"](#)! That is so tragic and sad, because it is true! But they won't be good when they breath their last breath and enter into eternity. *Hebrews 10:31*, *"It is a fearful thing to fall into the hands of the living God."* Woe unto America!

[I read in the newspaper today](#) about a 14-year-old public highschool student in Massachusetts who raped his teacher, murdered her with a utility knife, dumped her body in the woods and left a note which read, "I hate you all." He's only 14 years old!!! What do you expect when you deny a child the moral teachings from the Bible? What do you expect in a perverted nation who's national anthem is the Rock band Foreigner's "Dirty White Boy" (the band was featured today on Fox News playing "Dirty White Boy" in a live concert)? Fox News makes me sick! They're not fair, not balanced, and certainly not your friends! Truly, the Devil is a beautiful liar! America is a dirty nation! Our music is dirty! Our television is dirty! Our newsmedia is dirty! Our minds are dirty! Our living is dirty! Our youth are dirty, psychotic and murderous, having no moral conscious. Today's video games are blood-thirsty, dirty, featuring prostitution and mass-shootings! [Eminem And Call Of Duty Ghost Exposed!](#)

What do you expect when you indoctrinate a child to believe that he is nothing more than a freak of nature, as narrator Mike Rowe (on the History Channel's "How The Earth Was Made") calls, "cosmic coincidence" and "accidental aftermath"? What blasphemy and ingratitude against the God Who created man and the universe!!!

What we ought to be praying for as Christians is for the salvation of the unsaved, because our nation cannot survive it's fools. Sin always undermines any nation! We ought to be praying for missionaries to be sent to America. ***Luke 10:2, "Therefore said he unto them, The harvest truly is great, but the labourers are few: pray ye therefore the Lord of the harvest, that he would send forth labourers into his harvest."*** God will not bless a filthy nation of adulterous child-killers! Public nudity and women's liberation in the 1960's inevitably led to sexual immorality, millions of unintended and unwanted pregnancies, which consequently led to legalized abortion in 1972. The homosexual revolution was merely the advanced degenerative state of the downward spiritual spiral of our decadent nation!

Our U.S. President openly praises the bogus Muslim religion, calling the pagan Koran "holy." Mr. Obama openly supports homosexuals rights and marriages. A same-sex couple in Mississippi is now suing the state for the right to divorce. Yes, you read it right, to divorce! The lewd show *Naked Vegas* is one of the most popular programs on television, featuring totally nude public body painting. People get married completely naked, with their clothes painted on their skin. Perversion, nudity and gross immorality is everywhere nowadays. Hardly anyone cares enough anymore to take a stand for God and MAKE SOME NOISE!

When darkness is brought into the light, it loses its power!

Most Americans Pray In Woeful Ignorance

Prayer must be based in truth. Jesus told the Samaritan woman in ***John 4:24, "God is a Spirit: and they that worship him must worship him in spirit and in truth."*** Most people who pray aren't even saved, worshipping the Father without the Son. ***1st John 2:23, "Whosoever denieth the Son, the same hath not the Father: (but) he that acknowledgeth the Son hath the Father also."*** The Bible teaches and warns, that the Father must be worshipped IN TRUTH! So many people pray about things in woeful ignorance. It is a hindrance to prayer. A lot of people are praying for a job, while their own government leaders don't care if they have a job, even eliminating U.S. jobs so greedy corporate owners can exploit cheap foreign labor. Truthfully, there is no Democrat or Republican, there is only the HAVES and the HAVE NOTS! It's always been that way. It's all about the evil love of money!

I'm not discouraging prayer and I'm not saying that Pastor Osteen doesn't make many valid points. I like Joel Osteen (who doesn't?). But there are massive problems in America that are being totally ignored by the newsmedia. There has been a complete media blackout concerning the criminal activities of the banking cartel. The Federal Reserve is unconstitutional, anti-American and violates every safeguard against tyranny which our founding fathers put in place. Consequently, Americans are slaves to the banking cartel, paying off debts their entire life, dying broke and not able to leave anything for their children. Banks print money out of thin air and charge Americans interest to borrow it. It is evil.

There has also been a total media blackout concerning the treasonous globalization of the United States, eliminating tens-of-millions of American jobs. People could afford healthcare if they had decent paying jobs (a career). As many as 20,000 Americans have been dying each year because of deindustrialization. They cannot afford health insurance. And now *ObamaCare* has proven to be a bogus scam, leaving tens-of-millions of Americans without healthcare insurance. Communism effectively means the government is God and is expected to solve everyone's problems, meet their every need and provide security. It is impossible!!! The Bible teaches Capitalism, where a man works and keeps what he earns. But Capitalism cannot succeed in a rigged U.S. economy which issues funny money, perpetuates a controlled Mickey Mouse stock market and is run by criminals. Hell will be hot enough!

Don't buy into the lie that our economy is going through a natural boom/bust cycle. Nor is it because of the price of oil, health insurance premiums or inflation. America's economic problems are rooted in our fake (fiat) money system, lack of jobs due to deindustrialization and the flood of illegal immigrants who've been allowed to steal American jobs. And then Fox News insults us by telling us to buy Joel Osteen's latest *New York Times Bestseller* and "pray bold prayers" to find a job. What a sick joke!!!

Repent America!

Oh, how America needs Jesus! In 2016 we will likely see Jeb Bush and Sarah Palin in The White House. We've had a Democrat U.S. President for 8-years, so now it's typically time for a Republican. Miss Palin has been popularized on Fox News quite a bit lately, a sign that she is being prepared. Think I'm kidding? [The Washington Times is already predicting a Jeb Bush and Sarah Palin 2016 run](#). These are wicked people. The Bush family is evil beyond imagination, steeped in the drug-trafficking business in America. Satan owns America today! We gave the Devil an inch and he took a foot, becoming a ruler! We allowed Satan to stick his foot in the front door and now he lives in our house... The White House!

It's an insult for Fox News to use Joel Osteen's book (teaching "bold" prayers) to tell unemployed Americans to pray for jobs in lieu of a crooked banking system, funny money, deindustrialization and a criminal White House administration that caters to greedy Wall Street interests. We get what we deserve in America for our sinful ways, apostasy, forgetting the God of the Bible and not caring. With the crap journalism of garbage outlets like MSNBC, it's no wonder why the public is so dumbed-down. [According to MSNBC, true Christians don't oppose ObamaCare](#). The European band, "Green Day," has a song titled, "AMERICAN IDIOT!" I couldn't agree more!

Mercifully, God didn't require the entire city of Sodom to be righteous to spare the city fiery judgment; but rather, God agreed to spare Sodom if Abraham could find just 10 righteous people. Abraham could only find one, his nephew Lot. Noah preached the gospel for 120 years, but only he and his family entered the ark. Jesus foretold in Matthew 24:37-39 that the world will once again return to the adulterous days of Noah, when people lived only to eat, drink and marry (that is, going from one failed marriage to another in adultery). We are living in a hook-up culture of "relationships" in America. Most people view marriage as a Banana Split, that is, they marry because "it looks good." Biblically, marriage is a lifetime commitment. If you think you got a raw deal,

tough! You made a commitment. Divorce is a horrible sin rooted in self-righteousness, deeming one's spouse as being a worse sinner than yourself.

Jesus plainly foretold that there would be a lack of faith in the end times when He returned. *Luke 18:8*, “*I tell you that he will avenge them speedily. Nevertheless when the Son of man cometh, shall he find faith on the earth?*” Each day that passes, the world is becoming just a little more Godless. As the world once again unites into a modern-day Babel—breaking down the barriers of language, race and geography—mankind is uniting together against the Lord. Where is faith? The dirty demonic doctrine of salvation by a works-based faith has become epidemic in the world's churches.

To close this article, may I say that God always honors repentance, which can only happen on an INDIVIDUAL basis. Nations are composed of individuals. Our nation has gone to Hell because most individuals have chosen to forsake God and the Bible. Albeit, I believe that God has spared America judgment because of the remaining righteous, which are becoming fewer and fewer daily.

If you're not upset, you're not paying attention!
